**MEET TWILA AND STAN** Naperala — new owners of the Ranch House on Western Avenue in Harbor City. Stan was the Assistant City Engineer in Hawthorne for three years and then with the help of Twila opened Ricks in Downtown Torrance. They sold that and started opening other places — the Caravan — Oasis — and Lamplighter — all located in this general South Coast area. Twila and Stan are the proud parents of six children: Dan who is a sergeant in the Paratroops; Dennis, goes to West

High; Joy Ann & Landon attend Victor School; while Ronny & Rickey are of pre-school age and laze around the house all day. Twila keeps her 'free' hours filled with the P.T.A. and Victor Womens Club. Stan said he was now able to join some of the Civic organizations to lend a hand in making this area one of the most popular home and family spots in the nation. The Naperala's have extended the welcome mat to all you folks to come in, say hello, and just talk and kind of relax awhile.

**IN THE GOLDEN ROOM** — opening night — everybody's happy — and lookin' good. On the top: Sandy Ad-

dams, Linda Carrol, Caryl Diamond; Seated: Joe Shabelli, Art Hunter, Harry Hugasian — Rams and Ex-Rams.

**FIRST JONES — AND THEN ANTHONY**

**ANOTHER FIRST FOR REPRIS** — Frankie Anthony, Torrance lad has just hit good fortune again. Just this week Frankie's record company, D.R.A. Records, released his newest record... Jolly Green Giant/Seven Kisses. The record... Jolly Green Giant... got so much reaction around the states that the Reprise Record Co., owned by Frank Si-

natra, assigned him (Frankie Anthony), to his label. Mr. Anthony from now will be recording for the Sinatra label. (Reprise Records.) Among other things, Anthony is also a B.M.I. writer. He has just sold three songs to another producer for B.M.I. writer's rights. Mr. Larry Strong, a new artist in Hollywood is slated to sing them. Mr. Strong also is a Frankie Anthony and Tom Neilson product. Frankie studied at Torrance Bishop Montgomery High School, and graduated from Banning High. Mr. Anthony resides with his parents, Mr. and Mrs. Argento at 21809 So. Figueroa St., Torrance, California. Use classified, DA 5-1515

**DATELINE**

By Ted Stephens

Around we go — dusk to dawn — and bless my soul, the pink woodmobile is back on the road again. — I have all the luck—, just bought a reasonably new Plymouth had it four days and wham! somebody plowed into my rear end on Sepulveda, right in front of the office. So now whatta I do?

Had a talk with Karen Kragle — she's part of the Hampton Players — last Saturday — she invited me and friend (?) to see THE INNOCENT'S with Marvmount speech coach Judy Burdett. I said yes—She said 8:30—I said fine—as usual yours truly missed the boat again—, didn't make it, with or without friend. And before I forget The Footlight Players—, that's Theater in the Round—is looking for a new home. If anybody has an idea get a hold of Karen at Hampton Theater in Redondo Beach. . . .

Bobby Troup is going into another week at the PARISH HOUSE in Hawthorne. Hay people, dig, this cat is just to much. To put it on another level: His sound, is the sophisticated jazz sound—, so often referred to as — 'CLASS'—, . . .

Joey Prophet is doing things to people at the GOLDEN ROOM. But then, so is Sandy Addams. . . . You wouldn't believe it — she's just to good — take a moment, and go on down to DAVEY'S LOCKER in Hermosa — and listen — just listen to "Miss Soul" that's the Stormy Weather Girl — PATTY LEE — talk about doing it RIGHT — she do. . . .

The FAMILY SIDE POCKET is growing in popularity — Lyle and Ned have a competitive family fun sport in the Rolling Hills Plaza. If some of you mothers want to get a better idea what a FAMILY pool room looks like — and have some hesitation about going in — fear not — you can walk by and look through a very large, open, bay window and see one of most colorful decorative places in sowba. Better yet—, just ask the lady next door — she's probably been there. . . .

This is the last week for THE CHALLENGERS — presented by Bob Block at THE TORRANCE ROLLER DROME. This is a teen dance — well supervised — and if mom and dad wont to catch a listen Bob told me the "old folks" won't be charged.

SURFERS FIGHT FOR EQUALITY — on July 13 at 2nd Street Beach in Hermosa the Surfers of California (all) will hold a peaceful demonstration to show the injustice of how existing regulations are hampering their right to beach facilities up and down the California Coast. At this date TV and radio coverage is in the works — This info and more see STAN THE PIZZA MAN. . . .

Lorraine Strickland at the FIVE TORCHES—imperial and Crenshaw. . . . At the GOLDEN ROOM — Joey Prophet ends his two week engagement with this July 4th weekend. He'll let me know where he opens next — so keep an eye peeled for the item. . . .
